

As some of you are aware the pool tables at the Red Lion V-Lounge have been re-clothed and the rubber on the rails have all been replaced. Thank you to Brad and the Red Lion ownership for supporting the pool community by paying for this work. We would like to have this cloth last as long as possible. As such, please do not flip coins on the tables, set drinks on the tables, sit on the tables, or practice jump shots.

Are the tables perfect? No, they are still bar boxes. However, we have a plan to keep them as good as possible with ongoing maintenance. To this end, there is a donation box on the wall at table 2. These funds are used exclusively to pay for ongoing labour and required parts. This is a voluntary donation. A suggestion is \$1 per visit.

If you feel there is an issue that needs attention, message me and I will have it investigated and repaired if possible and funds allow.
