PLAYER RANKINGS

The CCS uses RANKINGS of M Master, A ADVANCED, B OPEN or C STANDARD. A Player will be assigned a ‘Performance Ranking’ based on their finish in every SINGLES or TEAM Event played in at a CCS or ACS Championship. The ‘HIGHEST OF THE LAST 2’ assigned ‘Performance Rankings’ will determine their PLAYER RANKING.

The ‘Performance Rankings’ are assigned, as follows:

1. In an A, B or C FINALS Division
 - Top 12% – assigned ‘Performance Ranking’ of NEXT HIGHER Division.
 - In the Money – assigned ‘Performance Ranking’ of SAME Division.
 - Out of the Money – assigned ‘Performance Ranking’ of NEXT LOWER Division.
2. In a B or C QUALIFYING Division
 - Top 1 – assigned ‘Performance Ranking’ of NEXT HIGHER Division.

Because of the ‘HIGHEST OF THE LAST 2’ rule, a Player will need to be assigned 2 consecutive NEXT LOWER ‘Performance Rankings’ before their PLAYER RANKING will go down.

KNOWN ABILITY

The CCS reserves the right to assign PLAYER RANKINGS based on KA – Known Ability.

Fargo ratings will trigger a KA Player Ranking review as follows:

Professional	720+ Men / 630+ Women
Master or Advanced Plus	675+ Men / 600+ Women
Advanced	625+ Men / 525+ Women
Open	525+ Men / 425+ Women
Standard	Up to 525 / Up to 425 Women

CompuSport CSR ratings will trigger a KA Player Ranking review as follows:

Professional	1980+ Men / 1860+ Women
Master or Advanced Plus	1925+ Men / 1820+ Women
Advanced	1850+ Men / 1720+ Women
Open	1720+ Men / 1575+ Women
Standard	Up to 1720 / Up to 1575 Women

Assigned Player Rankings based on KA for **Advanced, Master and Professional** are frozen unless successfully appealed otherwise.

A Player without a Ranking will be designated as 'U' **Unknown** which will be considered the equivalent of **Standard**, unless assigned otherwise based on KA.
